

Milton Bigham Scholarship Application
Osher Lifelong Learning Institute at FAU Jupiter

An Osher Lifelong Learning Institute Scholarship was created by the family and friends of Milton Bigham, and is being continued by the Advisory Board of OLLI Jupiter. Mr. Bigham was an OLLI student who told his daughter the only thing he regretted in life, in spite of his significant achievements, was the fact that he had not been able to attend college. OLLI helped him fulfill his lifelong dream.

If you are a Jupiter OLLI member, nominate yourself or someone you know to apply to receive up to \$160 in a non-transferrable gift certificate for classes. The application requires an essay (500 words or less) telling us what OLLI Jupiter means to you. Multiple Bigham scholarships will be awarded. Osher Lifelong Learning Institute instructors and family members are not eligible to receive this scholarship.

Apply in person, by email to ollijupiter@fau.edu or by mail to Osher Lifelong Learning Institute, 5353 Parkside Drive PA-134, Jupiter, FL 33458, attention Donna Eberle. All applications are confidential and are being reviewed for the coming semester. You will be notified of your award no later than the beginning of each semester.
