Learning is Better When We’re Connected!

We are gearing up for a full fall semester of lectures and courses beginning in October and running through December. Our curriculum committee has done an excellent job of securing a wide array of courses and topics. Staff continues to work remotely, and while we do our part in “social distancing,” we will continue to communicate weekly with you providing information and updates regarding our fall semester. Right now, we have a selection of more than 25 videos that are archived and available on our website for members and non-members to register for and watch at their leisure. Covid-19 has impacted everyone including OLLI, but we believe we have taken the necessary steps to ensure a strong return to our lifelong learning community when we are able to return. We ask you to remember what an enriching experience OLLI is to your life, how it challenges you to keep sharp and engaged, and how these new friendships enliven your days. Please renew your annual membership and support OLLI at FAU, Jupiter.

REMINIDER – FRIDAY AFTERNOON CHECK-IN:
New lectures and courses will become available for online viewing each Friday afternoon by 3 p.m.

4. Tunisia: Where the Arab Spring began.
