Learning is Better When We’re Connected

THANK YOU!

We would like to reassure our members that your health and well-being remain top priorities for us during this time. These are challenging times for us all, and we hope you’re in good spirits and health! Right now, we’re doing everything possible to sustain daily operations and provide services to our community. While there’s a lot of uncertainty, we know that we need to adapt fast to our changing reality. As we transition to virtual learning, we would like to thank you for your patience. This is a new way of learning, and we appreciate your enthusiasm to try this type of instruction. If you were unable to participate in our online programs, and you donated your class fee to OLLI, we would like to thank you for your support! Now, more than ever, our community needs us. And we need you.
