

2020-21 Undergraduate Researcher of the Year Winners

Each year the Office of Undergraduate Research and Inquiry (OURI) invites nominations for the Annual *Undergraduate Researcher of the Year* awards. One student from every college is selected for this award and is recognized at the annual Honors Convocation with "Undergraduate Research Scholar" Stole to wear during their graduation ceremony. These selected students are in good academic standing, have participated in at least two semesters of documented faculty-mentored undergraduate research and inquiry at FAU, and often have presented at multiple conferences and symposia, engaged in additional research activities, and even published their research as an undergraduate!

The 2020-21 Awardees:
