NOVEMBER 19, 2015

Student Research and Inquiry Opportunities:

- ***Science + Math at RIT***
- ***National Conference on Undergraduate Research***
- ***2016 Summer Research Team Program for Minority Serving Institutions***
- ***ORNL Challenge Program***
- ***Florida Undergraduate Research Conference***
- ***Call for Proposals: Florida Sea Grant Scholars Program***
- ***The University of Pennsylvania Summer Undergraduate Internship Program***

Student Professional Development Opportunities:

- ***School of Communication and Multimedia Studies Colloquium***

Faculty Only Opportunities:

- ***Council on Undergraduate Research Biennial, National Conference 2016***
- ***2016 Summer Research Team Program for Minority Serving Institutions***

STUDENT RESEARCH AND INQUIRY OPPORTUNITIES

Science + Math at RIT

- Deadline: November 30, 2015

Applications for Discipline-Based Education Research- Research Experience for Undergraduates (DBER-REU) at the Rochester Institute of Technology are now being accepted! The theme of DBER-REU is model-based reasoning in STEM education, and includes 8 mentors, 3 of whom specialize in biology education research. Students will be selected to participate in a 3-week part-time virtual program in January, where they will earn \$500, followed by a 9-week in-person program over the summer where they will earn \$4,500. For more information or to apply, [click here](#)

National Conference on Undergraduate Research

- Deadline: December 2, 2015
- Event Date: April 7-9, 2016

The 30th Annual National Conference on Undergraduate Research (NCUR) is being hosted by the University of North Carolina Asheville. All abstracts must be submitted online through the [link](#) on the NCUR 2016 homepage. Registration is scheduled to open January 25, 2016. Visit the [website](#) for submission instructions and additional information.

2016 Summer Research Team Program for Minority Serving Institutions

- Deadline: December 20, 2015

The Department of Homeland Security (DHS) is now accepting applications for its Summer Research Team (SRT) Program for Minority Serving Institutions (MSIs). This program provides faculty and student research teams from MSIs with the opportunity to conduct research at the university-based DHS Centers of Excellence. Ten-week Stipends will be awarded to selected participants. For more information or to apply, [click here](#).

NEW!* *ORNL Challenge Program

- Deadline: January 15, 2016

Applications for the Oak Ridge National Laboratory (ORNL) Challenge are now being accepted. Successful applicants will participate in a 10-week Summer Research Institute designed to give undergraduate juniors and seniors the opportunity to help solve real-world science problems by conducting research alongside world-leading scientists. For more information, or to apply, [click here](#).

Florida Undergraduate Research Conference

- Deadline: January 15, 2016
- Event Date: February 26-27, 2016

The University of Tampa will be hosting the Florida Undergraduate Research Conference (FURC). This is one of the nation's largest multi-disciplinary research conferences. It is an annual event open to all undergraduate researchers in the state of Florida. For more information or to apply, [click here](#).

Call for Proposals: Florida Sea Grant Scholars Program

- Deadline: February 1, 2016

The Florida Sea Grant Scholars Program provides five Florida college students with \$2,000 that may be used in support of their academic work, including traveling to conferences. Selected scholars are asked to provide the program with a short report on the outcomes of their work and that they acknowledge the Florida Sea Grant on any publications that were supported in part by the funds. For more information or to apply, [click here](#).

The University of Pennsylvania Summer Undergraduate Internship Program

- Deadline: February 1, 2016
- Event Date: 10-week program starts June 6, 2016

The University of Pennsylvania is hosting their Summer Undergraduate Research Program (SUIP). SUIP is designed to provide an immersive research experience to students interested in graduate study in the biomedical sciences. Interns complete ten weeks of full-time laboratory research, attend seminars, and give scientific presentations to their peers and mentors. For more information or to apply, [click here](#).

STUDENT PROFESSIONAL DEVELOPMENT OPPORTUNITIES

School of Communication and Multimedia Studies Colloquium

- Event Date: Varies by Colloquia

The FAU School of Communication and Multimedia Studies is hosting several colloquia throughout the semester. Speakers include Dr. Gerald Sim and Olympia Kiriakou, a Ph.D. candidate from Kings College London. For more information, [click here](#).

FACULTY ONLY OPPORTUNITIES

Deadline Extended! Council on Undergraduate Research Biennial, National Conference 2016

- Deadline: December 1, 2015
- Event Date: June 26-28, 2016

The Council on Undergraduate Research (CUR) is hosting its 17th National Conference, "Advancing Undergraduate Research: Collaboration and Innovation in a Global Society," at the University of South Florida, Tampa. The 2016 CUR National Conference provides an opportunity for faculty, administrators, staff, academic and community partners, and policy-makers to share individual and collaborative investigations. Either interdisciplinary or cross-disciplinary. Visit the [website](#) for submission instructions and additional information

2016 Summer Research Team Program for Minority Serving Institutions

- Deadline: December 20, 2015

The Department of Homeland Security (DHS) is now accepting applications for its Summer Research Team (SRT) Program for Minority Serving Institutions (MSIs). This program provides faculty and student research teams from MSIs with the opportunity to conduct research at the university-based DHS Centers of Excellence. Ten-week Stipends will be awarded to selected participants. For more information or to apply, [click here](#).
