Distinction Through Discovery Curriculum Map Worksheet

Please list every course currently included in your academic program. Place an X where Distinction Through Discovery student learning outcomes are currently addressed in each of these courses. Highlight in yellow the courses you intend to enhance or revise as part of this research and inquiry grant proposal. Also highlight in yellow the student learning outcomes you will target with your curriculum enhancements. You may change the formatting of this matrix to accommodate your program's information.

Principle Investigator:			Program:						
Department:				College:					
This program currently exists: [] Yes [] No)	Type of Program: [] Conventional [] Honors					
Student population targeted in this proposal (check all that apply): [] All program students [] FAU "native" students only [] Transfer students [] Students on specific campus(es) (Explain): [] Other student populations (Explain):
