2 YEAR FLIGHT PLAN

Degree: Bachelor of Business Administration (**BBA**)
Major : Management (**MGMT**)
Concentration (Required): Leadership and Management Skills (**LAMS**)

This flight plan is created for students transferring to FAU College of Business. This flight plan assumes that the student has transferred with an AA degree (60 credits) from a Florida Public Institution and has met all pre-business requirements with their AA degree.

FAU is committed to your success as a student. One way we define student success is efficient and effective progression through your degree program.

This Flight Plan is a tool to assist you in planning the courses you should complete and the milestones you should reach during your undergraduate studies so you may graduate on time. It is our intention that you complete this planning tool in *collaboration with an academic advisor* to ensure good understanding of:

- Which graduation requirements you have satisfied
- Which Intellectual Foundations and elective courses match your career plans
- How to balance coursework with your other responsibilities (e.g., employment) and optional activities (e.g., mentored research, study abroad, student organizations, leadership)
- How to get the most from your academic experience at FAU

Your advisor will help you identify what additional milestones apply to you, as well as how you may even graduate early or enter an accelerated graduate program. If you have any questions at all about your FAU Flight Plan, feel free to contact your advisor for assistance. Advisors are always here to help!

Tips for Success

Meet with your advisor at least once a semester.

Meet with your Business Internship and Career Advisor to apply for Internship courses early.

Monitor your progress in your courses; “check-in” with your instructors regularly!

Check your degree audit every semester.

Stay aware of important deadlines.

Take advantage of resources FAU has made available to you to help you succeed on your flight.
