

**FLORIDA ATLANTIC UNIVERSITY  
NOTICE OF PROPOSED REGULATION AMENDMENT**

Date: October 11, 2007

**REGULATION TITLE AND NUMBER:** Tuition, Fee Schedule and Percentage of Cost (8.001).

**SUMMARY:** The Florida Legislature provided a base increase of five percent in undergraduate in-state tuition during the 2007 regular session, which was subsequently vetoed by the governor. The Board of Governors, at their September 27, 2007 meeting, approved a five percent tuition increase in undergraduate in-state tuition. Subsequently the Florida Legislature, during the 2007 special session, authorized an undergraduate in-state tuition increase of five percent effective January 1, 2008. In order to maintain consistency between in-state and out-of-state matriculation fees, the regulation reflects an increase in the undergraduate out-of-state matriculation fee of \$3.68 and a decrease in the non-resident fee of \$3.68.

(5) The following process shall be used to determine the percentage of cost paid by students for setting the matriculation and non-resident fees.

(a) The most recent expenditure analysis, developed in compliance with Florida Statutes, will be used as the base for the full expenditure by level of instruction. Fundable credit hours estimated by the Florida Atlantic University Board of Trustees, for the year prior to the effective date of the fees, will be used for the enrollment base for each level. Expenditures for each level of instruction will be adjusted by using the percentage change in the total expenditures reported in the expenditure analysis as compared to the estimated total expenditures for the year prior to the effective date of the fees.

(b) The adjusted expenditures for each level of instruction will be divided by the credit hours to obtain the full expenditure per credit hour. The percentage of cost paid by students will be determined by finding the percentage the Matriculation Fee is of the full expenditure per credit hour, by level, for resident students; and by finding the percentage the sum of the Matriculation Fee and the Non-Resident Fee is of the full expenditure per credit hour, by level, for non-resident students.
