Health Researcher for Canines Providing Assistance to Wounded Warriors

JOB DESCRIPTION

Apply now to join FAU on its race to excellence.

For more information on everything FAU has to offer, please visit www.fau.edu/jobs.

Position Summary: Florida Atlantic University is seeking a Post-Doctoral Fellow, Boca Raton, FL.

Contact: Cheryl A. Krause-Parello, PhD, RN, FAAN, Associate Dean for Nursing Research and Scholarship (Interim) ckrausep@health.fau.edu

With over 30,000 students from all 50 states and over 180 countries, 21 intercollegiate teams, 180 plus degree programs, and an administration that thrives on discovery and excellence, FAU is pushing the boundaries of higher education. Florida Atlantic's faculty and staff are trailblazers and innovators with a passion for finding creative solutions while advancing science, art, and technology in all disciplines. Our work environment is a hub of cultures from across the nation and the world, making FAU a place where collaboration flourishes.

We are seeking applications from highly motivated Postdoctoral Fellow to join the Canines Providing Assistance to Wounded Warriors (C-P.A.W.W.: www.nursing.fau.edu/c-paww) Health Research Initiative for Veterans at Florida Atlantic University. Under the direction of PI Cheryl A. Krause-Parello, PhD, RN, FAAN in the Office of Research and Scholarship, the research concentration of this initiative is to investigate human-animal interaction and nonpharmacological approaches, with a focus on veterans’ health—which is integral to the investigator’s body of research work. Specifically, candidates will be involved in exciting and highly innovative interdisciplinary research and community engagement projects.

Summary of Responsibilities Include:

Assist with grant writing/document editing/creation.

Assist with recruitment, data collection (biologic and psychosocial measures), data management (SPSS).

Assist with REDcap survey development and management

Assist with project management.
Assist with manuscript preparation (including proficiency with a reference manager program).

Assist with COMIRB submission & adherence.

Conduct correspondence.

Assist in all aspects of research studies and projects.

Organize/manage study and project research files.

Travel to/co-present at conferences as needed.

Website and social media management.

Preform office management tasks.

Minimum Qualifications:

Eligibility for appointment as a Postdoctoral Fellow requires the candidate to hold a terminal degree, e.g., Ph.D., M.D., DSW, EdD, DrPH, DNP. Terminal degree from an accredited institution in an appropriate area of specialization required. Excellent verbal and written communication skills are essential to success in this position. Must be proficient in Microsoft Office programs such as Word, Outlook, PowerPoint and Excel. Must also have excellent customer service, organizational and time management skills.

Salary:

Range

$54,000- $60,000 plus benefits

College or Department:

Nursing

Location:

Boca Raton

Work Days and Hours:

M-F 40 hours/week

Application Deadline:

2022-08-01-07:00

Special Instructions to Applicant:
Florida Atlantic University is where your future begins.

Florida Atlantic's faculty and staff are trailblazers and innovators with a passion for finding creative solutions while advancing science, art and technology in all disciplines. Student success, excellence and community engagement are some of our highest values as a university. These values are prominent throughout FAU's community and are essential to the employee experience. FAU is committed to the principles of engaged teaching, research and service, and reflects this commitment as a key Platform in its 2015 - 2025 Strategic Plan. All persons aspiring to achieve excellence in the practice of these principles are encouraged to apply.
