Florida Atlantic University

NO MORE TEACHERS, NO MORE BOOKS

A Discussion About Different
Science Careers in 'Industry'

Join Robert Mino, JD, MBA, MS, has worked in biotech, diagnostics, pharmaceuticals, medical devices and life science tools. As an economic developer who works with many local life science companies, he will discuss his experiences in various career paths in field sales, marketing, law, operations, business development, economic development, research and as a life science entrepreneur. He will also offer tips on how to update a resume to land an interview in the private sector.

ROBERT MINO, JD, MBA, MS
Vice President, Life Sciences,
Business Development Board
of Palm Beach County and
Affiliate Faculty at FAU.

HOST

Paula Gajewski-Kurdziel, Ph.D.,
