

Important Schedule and Competition Information:

The **team numbers** assigned to you for the Southeast Regional Tournament at FAU are for this regional competition only. If your team advances to the state tournament, you will be given a different team number and there will be a different competition schedule.

Each team can only compete in an event during their assigned times, and they must be present at the beginning of the time period. Late arrivals **MIGHT** be permitted *at the discretion of the supervisor*, but late arrivals will **not** be given any additional time.

Look closely at the schedule for impounded devices – **IMPOUND** indicates an event that requires an impound to take place. If an event supervisor indicates there is a violation on the device, the student may fix it **PRIOR** to the close of the impound time period. The event supervisor will not indicate what is specifically wrong, just that there is a violation.

Impounds are received at the room listed for that event, NOT at the main registration table. **Impound will occur from 8:00 – 8:50 a.m.**

On the day of competition, team check in will open on the Sanson Patio at 7:00 a.m. Please be sure to arrive no later than 7:30 a.m. If you have any questions about the schedule, please email ttheisen@fau.edu

Schedule of Events for the FAU Regional Tournament:

7:00 am: Team Check in, Sanson Patio

8:00 am: Impound opens at event locations

8:00 am: C - Disease Detectives, **All C Teams (B Teams go at 9:00 am)**
