FLORIDA SCIENCE OLYMPIAD CODE OF CONDUCT

Dear Coaches:

Please direct students to read, to discuss, and to sign the following Code of Conduct. This document must be returned on the day of the competition.

Student participants are expected to compete in tournament events with an honest effort to follow the rules and spirit of the competition. The goal of the competition is to give one's best effort while displaying honesty, integrity, and sportsmanship.

Students, coaches, and parents are expected to display courtesy and respect toward Olympiad officials, other teams, and guests of the Olympiad. Please remember all officials are volunteer specialists in their field and should be extended every courtesy.

Failure to show honesty and/or courtesy by a participant, coach, or guest of the team may result in disqualification of the team from that event and/or from the entire competition.

Satellite SO Acknowledgement of School Use and Primary Coverage

Science Olympiad, Inc. has introduced a new model of participation for the 2021 school year that permits remote recording and reporting of results from registered Science Olympiad member teams to their sanctioned State Science Olympiad Chapters. There are stipulations that registered teams must follow in order to participate in Satellite Science Olympiad tournaments. This agreement applies to the activities performed while away from in-person, single-location Science Olympiad tournaments held on college campuses or other sites.

If my school is a public or private school, as the head coach of the Science Olympiad team I certify that:

1. Our school has paid state and national membership dues to the State Science Olympiad Chapter in the state our school is located and is a registered team.
2. Our Science Olympiad program is a school-sponsored activity.
3. Our Science Olympiad team has permission to use our school building, facilities and equipment for Science Olympiad practice.
4. **All Science Olympiad team members are currently enrolled students of our school.**
5. All Science Olympiad activities will be supervised by school faculty or those who have met the requirements of being a school volunteer or mentor.
6. All Science Olympiad safety policies found under Policies at www.soinc.org are followed, including the Code of Conduct.
7. That the school's insurance covering enrolled students while in the act of practicing for an extracurricular or school-sponsored event will be the primary coverage for the activities of Science Olympiad.
8. While participating in a Satellite Science Olympiad event, my school voluntarily assumes all risks and hereby releases, indemnifies and holds harmless the State Science Olympiad Chapter or Science Olympiad, Inc., or any of their respective employees, agents, successors, and assigns ("Released Parties") singularly and collectively, from and against any blame and liability for any injury, harm, loss, inconvenience, or any other damage of any kind connected to your participation in this Science Olympiad event.

COVID-19 Acknowledgement

"Florida Science Olympiad has put in place preventative measures to prevent and mitigate the spread of coronavirus (COVID-19), however, by attending this Science Olympiad event, you could increase your risk of contracting coronavirus (COVID-19). By entering the campus, you voluntarily assume all risks and hereby release, indemnify, and hold harmless Florida Science Olympiad or Science Olympiad, Inc., or any of their respective employees, agents, successors, and assigns ("Released Parties") singularly and collectively, from and against any blame and liability for any injury, harm, loss, inconvenience, or any other damage of any kind connected to your participation in this Science Olympiad event."
