Checklist for Declaring a Leadership Studies Minor

☐

You need to **DECLARE** a major BEFORE declaring any minor.

☐

EVALUATE Your Current Academic Standing: *If you have earned 90 or more credits, you will NOT be able to begin any additional minors per FAU policy.*

☐

If you have earned less than 90 credits and have sincere interest in exploring and/or declaring a Leadership Studies Minor, please set up a **CONSULTATION**. The purpose of this meeting is to explore the skills and competencies gained by completing this minor and learn about the requirements. **GATHER** information about the minor from www.fau.edu/lead or contact leadership@fau.edu.

☐

Your final step will be to **COMPLETE** the Undergraduate Major/Minor Change Form to officially declare the Leadership Studies minor and complete a Minor Checklist to plan when you will take your courses. In order to do this you will need to meet with your college advisor.

a. Schedule an appointment with University Advising Services (UAS) if you have earned 45 or less credit hours.

OR

b. Schedule an appointment with your College advisor if you have earned over 45 credit hours and have a declared major.
