ADULT ATTENDEE CODE OF CONDUCT

Dear Coaches, Parents and Other Non-Competitors:

Science Olympiad is an event that encourages students to learn science, and much is gained through success and failure. To that end, we ask all parents, chaperones, teachers, and other non-competitors to participate according to the following code of conduct. Adults may encourage the students, but not interfere or communicate with them while the competition is underway. If a judge determines that a non-competitor has interfered or helped the student(s) during the tournament, the student may be disqualified from the event.

Please ask all adults who attend the competition to read and sign this document. This document must be returned on the day of the competition.
