Science Olympiad, Inc. has introduced a new model of participation for the 2021 school year that permits remote recording and reporting of results from registered Science Olympiad member teams to their sanctioned State Science Olympiad Chapters. There are stipulations that registered teams must follow in order to participate in Satellite Science Olympiad tournaments. This agreement applies to the activities performed while away from in-person, single-location Science Olympiad tournaments held on college campuses or other sites.

If my school is a public or private school, as the head coach of the Science Olympiad team I certify that:

1. Our school has paid state and national membership dues to the State Science Olympiad Chapter in the state our school is located and is a registered team.
2. Our Science Olympiad program is a school-sponsored activity.
3. Our Science Olympiad team has permission to use our school building, facilities and equipment for Science Olympiad practice.
4. **All Science Olympiad team members are currently enrolled students of our school.**
5. All Science Olympiad activities will be supervised by school faculty or those who have met the requirements of being a school volunteer or mentor.
6. All Science Olympiad safety policies found under Policies at www.soinc.org are followed, including the Code of Conduct.
7. That the school's insurance covering enrolled students while in the act of practicing for an extracurricular or school-sponsored event will be the primary coverage for the activities of Science Olympiad.
8. While participating in a Satellite Science Olympiad event, my school voluntarily assumes all risks and hereby releases, indemnifies and holds harmless the State Science Olympiad Chapter or Science Olympiad, Inc., or any of their respective employees, agents, successors, and assigns ("Released Parties") singularly and collectively, from and against any blame and liability for any injury, harm, loss, inconvenience, or any other damage of any kind connected to your participation in this Science Olympiad event.
