

Winter Science Institute

What is the Winter Science Institute?

Join us at Florida Atlantic University for a 6 day, non-credit academic program. The Winter Science Institute is specifically designed for middle and high school students interested in discovering the world of science. Space is limited so submit your application today!

During the six days of the Winter Science Institute, your child will be learning about life science, personal and social science; earth and space science; physical science and chemistry; technology and engineering; inquiry and the nature of science. Students will have the opportunity to participate in hands on experiments and activities.

- HANDS ON SCIENCE ACTIVITIES
