Questions should be directed to the state of Florida's COVID-19 Call Center (1-866-779-6121) or via email to COVID-19@flhealth.gov. Additional vaccine information is available at floridahealthcovid19.gov.

All members of the university community are strongly encouraged to ***Protect Your Owl Family*** and get vaccinated. The [Centers for Disease Control and Prevention](#) recently amended COVID-19 guidance for the general population. The [new guidance](#) both encourages vaccination and offers new parameters for those who have already been vaccinated.

Following safety protocols and public health recommendations will help limit COVID-19 on our campuses, as well as in our local communities. Stay home if you are sick or experiencing any symptoms of COVID-19. Students and employees need to continue reporting to [Student Health Services](#) (561-297-3512, after hours select option 3) if experiencing COVID-19 or flu symptoms, are exposed to COVID-19 (even if out of the area) or test positive for COVID-19.

General questions related to the COVID-19 situation should be directed to FAUCOVID19@fau.edu. All feedback is shared with applicable departments across FAU campuses to ensure adjustments as necessary. Visit the [FAU coronavirus website](#) for additional information.
