

College Level Examination Program (CLEP) – Undergraduates

Undergraduate students may earn credits from the CLEP examinations provided they have not received comparable college credit in the CLEP examination area. Minimum scores are subject to change at any time. Official scores must be sent to FAU from the testing center. Scores cannot be posted from other institutions' transcripts. To obtain official scores, visit www.collegeboard.com/student/testing/clep/scores.html for a Transcript Request form and other pertinent information or call 800-257-9558.
