Important Policies for Computer Engineering Majors

(A) Pre-Professional Engineering Program

Incoming first-year and transfer students in engineering bachelor's programs will start as pre-engineering students. To be admitted to their chosen major within the College of Engineering and Computer Science, students must:

- (1) Meet University admission requirements.
- (2) **Achieve a minimum grade of “C” in each listed core course.**
- (3) Have a maximum of two attempts for each listed course. Failure to pass on the second attempt, including withdrawals, may result in denial of admission to the major.

Pre-Professional Program Courses: MAC 2311 & PHY 2048 & L

(B) Math Policies & Math Boot Camp

Students who do not successfully pass a math course on their first attempt (including withdrawals), must complete Boot Camp before enrolling in 2nd attempt. Math boot Camp website: <https://www.fau.edu/ugstudies/math-boot-camp/>. Failing or withdrawing from second attempt of a math course may result in a mandatory major change outside of the college.
