FRENCH MAJOR PREREQUISITES

Number of credits to satisfy the prerequisite requirement depends on the proficiency level of each individual student in the French language. Students with more than one year of a French language in high school who have not taken a college level French language courses or students who are Heritage/Native speakers of French language need to contact an LLCL advisor to determine appropriate placement. CLEP exam credits can be used to satisfy requirements for FRE 1120 and FRE 1121. FLEX requirement is being satisfied by completion of FRE 1121 or higher. Students who are LLC: French Majors or who are considering majoring in LLC: French are strongly encouraged to start taking French language classes in their first semester at FAU.

FRE 1120 Beginning French Language and Culture I (4 credits)
FRE 1121 Beginning French Language and Culture II (4 credits)
FRE 2220 Intermediate French Language and Culture I (4 credits)
FRE 2221 Intermediate French Language and Culture II (4 credits)

French majors with more than 30 credits are advised through the Languages, Linguistics, and Comparative Literature Department (LLCL) and are strongly encouraged to work closely with the LLCL Advisor and Faculty Mentor in that department when choosing major courses and electives. Due to the specifics of language majors, French majors with less than 30 credits may seek “major only” advising from LLCL Advisor in addition to required Freshman Advising. All course selections should be made in consultation with an advisor in the Languages and Linguistics and Comparative Literature Department. Students must get a “C” or above in their major courses. No major course can be taken pass/fail; also 45 credits must be completed at the 3000/4000 level. All Incomplete/Non-Reported grades must be resolved prior to graduation term. Students can benefit from using their “Free Electives” to complete a second major or a minor in the Department of Languages Linguistics and Comparative Literature or another department.
