LINGUISTICS MAJOR PREREQUISITES

Linguistics Majors choose a language concentration between English, French, Italian, or Spanish. If students choose a foreign language concentration, then they may need to complete foreign language prerequisites. Number of credits to satisfy the prerequisite requirement depends on the proficiency level of each individual student in the target language. Students with more than one year of a foreign language in high school or students who are Heritage Speakers of foreign language may enroll in a higher-level course and need to consult an LLCL advisor regarding their placement. Spanish Speakers Heritage Placement Test is available by appointment. Students with concentration in Italian Language are being placed based on consultation with the faculty. CLEP in French and Spanish exam credits may be used to satisfy requirements for the first and second semester proficiency in a target language. FLEX requirement is being satisfied by completion of SPA 1121, FRE 1121, ITA 1121 or higher.

| 36 calories | Intellectual Foundations Program |
| 0-16 calories | Foreign Language Prerequisites |
| 32-48 calories | Free Electives |
| 36-37 calories | LLCP: Linguistics Major |
| 120 CREDITS | TOTAL |

Students who chose foreign language concentration or who are considering it are strongly encouraged to start taking foreign language classes in their first semester at FAU. LLCP: Linguistics majors with 30 or more credits are advised through the Languages, Linguistics, and Comparative Literature Department (LLCL) and are strongly encouraged to work closely with the LLCL Advisor and Faculty Mentor in that department when choosing major courses and electives. Due to the specifics of language majors, LLCP: Linguistics majors with less than 30 credits may seek “major only” advising from LLCL Advisor in addition to required Freshman Advising. All course selections should be made in consultation with an advisor in the Languages and Linguistics and Comparative Literature Department. Students must get a “C” or above in their major courses. No major course can be taken pass/fail; also 45 credits must be completed at the 3000/4000 level. All Incomplete/Non-Reported grades must be resolved prior to graduation term. Students can benefit from using their “Free Electives” to complete a second major or a minor in the Department of Languages Linguistics and Comparative Literature.
