

Student Name: _____

1. Describe the event that you attended. (title, topic, location, date, purpose, etc.)

2. What is your response or reaction to the event? If there was a speaker, provide a significant point from the information shared and explain why you chose the point. If you attended an event without a speaker, describe something that happened at the event and explain why it was significant to you. Your answer should be at least 5-7 sentences in length.

(Since you made the effort to attend, make the effort to think and write about it.)

Evaluate the event based upon the following scale:

1= strongly disagree

2=disagree

3=neither disagree or agree

4=agree

5=strongly agree

The event helped me to better understand what FAU has to offer. _____

The event helped me feel more connected to my university. _____

I was able to interact with and meet new students during the event. _____

I would recommend this event to other students. _____
