

## **UFS Meeting Schedule for Fall 2016**

Due to a scheduling conflict, the UFS has been able to reserve EE 106 from 1:00 to 3:50 on Mondays this semester. This does not quite fit our usual 2:00–4:00 meeting schedule. The Senate will therefore consider whether to:

- a) Reschedule its meetings to 1:30–3:30 on Mondays.
- b) Retain the 2:00 start time, but commit to ending its meetings early enough that EE 106 can be cleared by 3:50.
- c) Retain its 2:00–4:00 schedule, and meet in CM 130 with overflow in CM 125.

There is no motion or recommendation on this item from the Steering Committee. We will seek a motion from the floor.
