Dear Dr. Wagner,

Per our brief conversation yesterday, the DOR has just submitted new grant fringe rates for the federal

government to consider for implementation on 7/1/21. When I presented to the Faculty Senate this past year we agreed to keep the faculty in the loop throughout the negotiation process. My notice below should reach all fiscal personnel, research deans, faculty researchers, grant managers, and college business managers.

The rates being proposed are for informational and planning purposes only - since they are not yet approved, Sponsored Programs can't accept these rates for any proposals.

I will circle back once we have final rates to share.

Best Regards,  
Lynn
