11:00 AM – 12:00 PM
ZOOM**

Members Present: Kim Dunn, William Trapani, Bruce Arneklev, Charles Dukes, Chris Beetle, David Newman and Meredith Mountford

Guest: Dan Meeroff

1. The meeting was called to order at 11:00AM by Chair, Dr. William Trapani.
2. The Steering Committee approved the following proposals:
 - College of Arts and Letters**
 - Course Proposal: ANT 2100 – Adoption of “Introduction to Archaeology”
 - Course Proposal: ENC 2135 – Adoption of “Research and the Writing Process”
 - Course Change: SYG 2430 – Renumbered as SYO 2101, titled “Families in the United States”
 - Honors College**
 - Course Proposal: ANT 2100 – Adoption of “Honors Introduction to Archaeology”
 - Course Proposal: POT 2002 – Adoption of “Honors Introduction to Political Theory”

In addition, the committee **moved** that the Honors College and the College of Social Work and Criminal Justice continue discussions regarding the possible adoption of CCJ 2002 for the Honors College. While recognizing that this is a complex issue—further complicated by the state’s evolving regulations for general education courses, the committee believes that, through continued dialogue and clearer articulation from SW&CJ of their concerns, a resolution can likely be achieved.

3. **Meeting adjourned at 12:00PM.**
