Dear Dr. Xie,

Sorry for the late response. CEGE supports the changes for the Advanced GIS certificate and the catalog revision.

Thanks,

Yan

Good Afternoon Dr. Yong,
Attached please find the revised Adv. GIS Cert. incorporated recommendation from your department. As we discussed by phone, there are no changes recommended from your department on the basic GIS Cert. and it is therefore not attached.

Could you please email me whether you support the program change?

Thank You,
Zhixiao
