	Department Social Work College Design and Social Inquiry	
<b>Program Name</b> Social Work	<input type="checkbox"/> New Program <input checked="" type="checkbox"/> Change Program	<b>Effective Date (TERM &amp; YEAR)</b> Fall 2019
<b>Please explain the requested change(s) and offer rationale below or on an attachment</b>  This request includes two program changes:  1. The aging certificate has been offered through the School of Social Work. This program change includes an update to the name of the certificate to "Healthy Aging Certificate." This name change reflects the content of the certificate and aligns with the platforms of the university.  2. The statistics course is a required course for graduation. In order for students to progress through the Bachelor of Social Work program and prevent delay of graduation, it is now being listed as a pre-requisite requirement. This means that students can still be admitted to the major, but if students are admitted without this course, they must be complete it by the end of their junior year or two semesters before their final semester or entering SOW4510 Internship.
