Program Name Minor in French		
<p>Please explain the requested change(s) and offer rationale below or on an attachment</p> <p>The Department of Languages, Linguistics, and Comparative Literature has offered the French minor for several decades. We are now updating our French minor by offering a fully online version which parallels the traditional face-to-face modality.</p> <p>The number of courses, distribution/category of courses, and overall credits required for the minor will remain the same for each modality of the French minor: 5 classes (15-18 credits) at the intermediate level or higher, and with a maximum of two courses at the intermediate level (based on student proficiency level).</p> <p>Attached please find the updated course catalog language to accompany this transmittal form.</p>
