Please explain the requested change(s) and offer rationale below or on an attachment

The Department of Languages, Linguistics, and Comparative Literature has offered the Spanish minor with two different tracks (Non-Heritage Track/ Heritage Track) for several decades. We are now updating the Non-Heritage track of the Spanish minor by offering a fully online version which parallels the traditional face-to-face modality.

The number of courses, distribution/category of courses, and overall credits required for this minor track will remain the same for both modalities: 5 classes (15-18 credits) at the intermediate level or higher, with a maximum of two courses at the intermediate level (based on student proficiency level), and with all coursework in lingua as determined by course prefix.

Attached please find the updated course catalog language to accompany this transmittal form.
