RE: Changes to the existing Honors in Urban and Regional Planning and Urban Design

As per FAU's Honors Curriculum Manual, the proposed changes to existing upper-division honors programs in Urban and Regional Planning and Urban Design were submitted to the College for Design and Social Inquiry Undergraduate Programs Committee. The proposal was then discussed and approved by the University Honors Council on 22 February 2019.

We are now asking the UUPC to consider these changes to add an Honors Capstone Research Option to their current upper-division honors programs and give them approval for inclusion in the catalog. Thank you.
