RE: RI Designation for HIS3150 and HIS4935

As per the Undergraduate Research Curriculum Committee Manual, the proposal for Research Intensive designation of HIS3150 Historical Methods and HIS4935 Senior Seminar were discussed and approved on Thursday, January 17, 2019 by the Undergraduate Research Curriculum Committee.

We have consulted with the faculty and the courses will always be taught as RI. In addition, the SLO language in these syllabi is specific to these course topics and will change in future semesters when new topics or course themes are selected by the faculty (Instructor).

The committee asks the UUPC to consider these courses and give its approval.
