Please explain the requested change(s) and offer rationale below or on an attachment		
<p>The Department of Theatre and Dance is requesting the following program changes to our BFA in Theatre - Musical Theatre Concentration:</p> <ol style="list-style-type: none"> 1. Drop the Foreign Language requirement and replace the eight hours of course work with Theatre and Dance courses. Our rationale and a letter of support from LLCL is attached. 2. Remove language from the catalog allowing substitution of certain LIT courses offered by the English Department for our own Dramatic Literature courses. We wish to reserve the substitution as an option for faculty advisors to use if a scheduling conflict necessitates it, but remove it as a student option. A letter of support from English is attached. 3. Reorganize the BFA programs in the University Catalog to streamline and clarify their content. <p>A copy of the proposed curriculum is attached.</p>
