Course Description *(Syllabus must be attached; Syllabus ~~is~~ recommended; see Guidelines)*
This course supports students that have a faculty research mentor as they navigate the undergraduate research process. This course is inclusive of multiple disciplines and methodologies, as opposed to a comprehensive survey, and will cover material that is both common to research in all disciplines and specific to the students' research interests. Students will learn how to find presentation/publication opportunities and develop their project into a research presentation for the FAU Undergrad. Research Symp.
