

4 YEAR FLIGHT PLAN:
BA or BS in Biological and Physical Sciences with a Concentration in Math
doing the Combined BS/MS in Artificial Intelligence
For students entering Fall 2020 and later

FAU is committed to your success as a student. One way we define student success is efficient and effective progression through your degree program.

This Flight Plan is a tool to assist you in planning the courses you should complete and the milestones you should reach during your undergraduate studies so you may graduate on time. It is our intention that you complete this planning tool in *collaboration with your academic advisor* to ensure good understanding of:

- Which graduation requirements you have satisfied
- Which Honors College Core and elective courses will best help you explore your interests and future goals or develop new interests
- How to balance coursework with your other responsibilities and activities (e.g., employment, mentored research, study abroad, student organizations)
- How to get the most from your academic experience at FAU

Your academic advisor will help you customize and maintain your final Flight Plan during the next four years so that you stay on track for success at FAU's Honors College. In order to graduate on time, you will need to:

- Complete an average of 30 credit hours per year, less any college credit you enter FAU with
- Earn 120 credit hours, at least 45 in the upper division (3000 or 4000 level)
- Earn at least 9 credit hours in summer coursework (or equivalent)

The Honors College provides individual advising from faculty and so this Flight Plan is meant only to be a general guide. The Faculty advisor is assigned initially during Orientation but students are free to change their faculty advisor by completing a change of advisor form, [available online](#). Students should not feel bound by this generic plan if they and their faculty advisor have developed a different plan that better suits their particular needs. Your advisor will help you identify what additional milestones apply to you, as well as help prepare you for a graduate program if that is your goal. In addition, students should use MyFAU to run a DARS audit of their coursework to confirm what requirements they still need to meet. If you have any questions at all about your FAU Flight Plan, feel free to contact any of the following individuals for assistance. They are here to help!

Your Academic Advising Professionals

<i>Faculty Advisor</i>	
Office Location:	
Email Address/Phone:	
<i>Academic Support Services</i>	Mr. David Flanigan
Office Location:	HC 132

This unofficial guide is to be used in conjunction with regular academic advising appointments. Not all University and State degree requirements are listed. For a full degree audit, see the Director of Academic Support Services in HC 132.

**Flight Plan: BA or BS in Biological and Physical Sciences with a Concentration in Math
doing the Combined BS/MS in Artificial Intelligence**

IMPORTANT NOTES

1. Honors College students are required to maintain an FAU cumulative GPA of at least **3.0** to remain eligible for their Honors College scholarships. You must maintain a minimum **2.0** GPA each semester to be in good academic standing.
2. To receive your Honors College scholarship you must be full-time (**minimum 12 credits/semester**) in the Honors College. You should have your advisor's prior approval when taking courses outside the Honors College.
3. Students with an out-of-state tuition waiver must maintain a **3.3** FAU Cumulative GPA to retain the waiver.

Abbreviated Version of 4-year plan

Year One:	
IDS 1022 Forum	1
BSC 1010/L	4
CHM 2045/L	4
MAC 2311	4
ENC 1101, ENC 1102	6
AMH 2010	3
POS 1041	3
COP 2220	3
MAC 2312	4
Year Two:	
ANT 2410	3
SPN 1120	4
Social Science Distribution	3
MAD 2104	3
COP 3014	3
1 Intermediate Math Group A	3
SPN 1121	4
PHI 2010	3
STA 2023	3
COP 3530 (summer)	3
Year Three:	
MAA 4200	3
2 Team-taught courses	2
1 intermediate Math Group A	3
MAS 4301	3
2 upper division Math Electives	6
Hum Distribution Elective	3
PHI 2642	3
Internship (summer)	3

This unofficial guide is to be used in conjunction with regular academic advising appointments. Not all University and State degree requirements are listed. For a full degree audit, see the Director of Academic Support Services in HC 132.

Year 4	
One additional Math elective	3
Math Honors Thesis	6
Team-taught course	3
COT 4400 (online)	3
One upper division Math Elective	3
	120

Tips for Success

- Meet with your faculty advisor at least once a semester.
- Monitor your progress in your courses; “check-in” with your instructors regularly!
- Check your degree audit every semester.
- Stay aware of important deadlines.
- Take advantage of resources FAU and the Honors College has made available to you to help you succeed on your flight, such as tutoring, office hour visits, and the writing center.
