<b>Program Name</b> Accounting Program (ACCG or OACG)	<input type="checkbox"/> New Program  <input checked="" type="checkbox"/> Change Program	<b>Effective Date</b> (TERM & YEAR) Fall 2020	
<b>Please explain the requested change(s) and offer rationale below or on an attachment</b>  Remove requirement of accounting majors to take BUL4422 Business Law II. The Florida Board of Accountancy recently decreased the required number of business law credit hours to sit for the CPA exam from 6 to 3 credit hours. Accounting majors are required to take BUL4421 Business Law I and so they meet the current requirement of 3 credit hours to sit for the CPA exam. The removal of BUL4422 Business Law II from required core classes allows for the addition of a new core accounting course, ACG3842 Accounting Applications of Data Analytics.
