(TERM & YEAR)

Fall 2020

**Please explain the requested change(s) and offer rationale below or on an attachment**

We wish to change the language in the FAU Course Catalog regarding minors in the department of Visual Arts and Art History. It currently reads: "Art majors are not eligible for these minors." We would like to remove this language and replace it with "Students cannot minor in their own major area - ie, art history majors cannot also minor in art history." This change will enable more students to pursue minors within the Visual Arts and Art History department, as well as study subjects that will help them in their majors in a more systematic way.

In addition, where the catalog reads "The minor in Art History includes a minimum of 19 credits. At least 16 of the 19 credits must be taken at Florida Atlantic University" this should be changed to read, "The minor in Art History includes a minimum of 22 credits. At least 19 of those 22 credits must be taken at Florida Atlantic University."
