<b>Program Name</b> Fast track of RI Designation process (time-limited)	<input type="checkbox"/> New Program  <input checked="" type="checkbox"/> Change Program	<b>Effective Date</b> (TERM & YEAR)  Spring 2020
--	--	---

**Please explain the requested change(s) and offer rationale below or on an attachment**

Motion: To streamline the process of adding Research Intensive (RI) designation to existing courses that have been previously approved by the UFS without RI distinction, by recommending a list of courses from the colleges and reducing the number of steps prior to submitting to UFS. The streamlined process shall apply for Spring 2020 ~~Fall-2020~~: Spring 2021.

Rationale:  
 ? To increase the number of RI Designated courses offered at FAU, to launch a new "research certificate" within the colleges which would include courses that have RI Designation and DIR.  
 ? To encourage faculty to add a research component to their courses by streamlining the RI designation process
