I have no objections since TSL 4080 is one of the options in both non-degree programs.

Thank you, Hani!

Are you also ok with listing TSL4251 Applied Linguistics & TESOL for the minor? (It's taught by our department but it's in the Catalog under the College of Education, so we do need to consult you on TSL4251, too).

Viktor

Dear Dr. Kharlamov:

I have no objections to your request of adding the following in the catalog: TSL 4080 as an elective in your Linguistic minor , which is already in the ESL Studies certificate.

I agree that this will help students make their academic planning easier.

Best wishes with your curriculum proposal.

Take care,  
Hani

Dear Lizeth,

The Linguistics section is working on updating the Catalog wording for the Minor in Linguistics (please see the attached files), and we require a letter/email of “no objection” from Curriculum, Culture & Educational Inquiry since two of your TSL courses are involved in the minor.

In short, TSL4080 & TSL4251 already count towards the minor (as well as the ESL Certificate) but only advisors know this. We would like to mention the 2 courses explicitly in the Catalog description of the minor, so that even before talking to an advisor, students will know that the 2 courses can work for both the certificate and the minor.

Thank you,  
Viktor

**To:** Kris Lindbeck <klindbec@fau.edu>; Viktor Kharlamov <vkharlamov@fau.edu>

Here is the letter of no objection for the CUPC to UUPC Committee from Dr. Berlatsky, Chair of English re: the Linguistics minor requirement.

Best wishes,

Kate

No objection by English. I don't see how we could object to a change in another department's required courses for their minor.

Eric Berlatsky
