INTRODUCTION

Aerospace Studies 102 is the second of two semesters comprising the introduction to the United States Air Force and Air Force ROTC. Leadership Laboratory (AIS 150) complements this course by providing cadets with leadership experience. To enhance intellectual and controversial discussion, “academic freedom,” as defined in AUI 36-2308 (Academic Freedom), will be recognized and encouraged.

AS 102 COURSE DESCRIPTION

This is a survey course designed to provide an introduction to the Air and Space Forces, hopefully encouraging students to pursue an U.S. Air Force career or at least seek additional information to be better informed about the role of the USAF. The course allows students to examine general aspects of the Department of the Air Force, leadership fundamentals, service benefits, and opportunities for officers. The course also lays the foundation for becoming an Air or Space professional by outlining USAF heritage and values. As a foundational course, this course also provides a historical perspective such as lessons on war and US military, AF operations, principles of war, and airpower. Additionally, this course provide students with a knowledge-level understanding for the employment of air and space power, from an institutional, doctrinal, and historical perspective. The students will be introduced to the military way of life and gain knowledge on what it means to be an Air or Space professional.

AS 102 COURSE OBJECTIVES

Upon successful completion of AS102 cadets will:

1. Be able to describe the principles of war
2. Describe the evolution of the Air Force
3. Know the concept of war and the role the Air Force plays
4. Know and develop productive life skills
5. Demonstrate basic oral and written communication skills

CLASS TIME AND LOCATION:

AFROTC & DET 155 POLICIES

ATTENDANCE: In accordance with AFROTCI 36-2011, *Cadet Training Programs*, you are **required to attend 80% of scheduled Aerospace Studies (AS) classes to receive a passing final grade.** However, the expectation is a 100% class attendance policy unless you have a valid reason to miss class. Examples of valid reasons are as follows: Hospitalized for illness/injury, hospitalization of an immediate family member, death in the immediate family, conflicting class schedule, etc. All valid reasons for excused absences are determined on a case by case basis by the professor.

Attendance policy applies to cadets AND academic only students
Academic only students are not required to submit an official memorandum

BOTTOM LINE UP FRONT (BLUF): Officers are punctual, On Time! On Target! **Plan effectively.**

If you need to be absent from a class, you **must request and receive “PRIOR” instructor approval** via signed official endorsement memorandum (Tongue & Quill, page 184). You must state the specific reason you must miss class, the date(s) you will be absent, and a plan of how missed work will be completed in an expeditious manner. The memorandum must have your professor’s signature block and a place to CONCUR/NONCONCUR on your request. Any request not approved prior to the absence or disapproved by the professor will result in an “Unexcused Absence” being awarded for that class date.

If prior approval is not or cannot be obtained, you **must provide an explanation of the circumstances** to the professor in a signed official memorandum (Tongue & Quill, page 180) **no later than (five) calendar days** following the absence. You must identify the date(s) you were absent, state the specific reason you missed class, and a plan of how missed work will be completed in an expeditious manner. Each situation will be evaluated and either approved or disapproved by the professor. Disapproved absences will result in an “Unexcused Absence” being awarded.

Unexcused absences will reflect adversely on overall instructor evaluation of student performance and will result in a **five-point deduction** from the **overall term grade** for each unexcused absence beginning with the second occurrence.

Unexcused tardiness will reflect adversely on overall instructor evaluation of student performance and will result in a **two-point deduction** from the **overall term grade** for each unexcused tardy beginning with the second occurrence.

The maximum amount of point deductions for unexcused absences and tardiness can not exceed 10% of the final grade.

CLASSROOM DEPARTMENT AND PERSONAL CONDUCT:

You will call the classroom to attention for any officer that enters the room. Avoid several people calling the room to attention at the same time. Work out a system! Coming to attention is a gesture of **respect, not inferiority**. Additionally, ALL cadets will afford each other mutual respect and carry themselves as the future Air Force officers they aspire to become.

Snacks and drinks are acceptable within class, however, do not leave your trash. If you bring it in you will take it out! All cell phones and paggers must be turned **off** in the classroom.

ACADEMIC FREEDOM / ACADEMIC INTEGRITY / HONOR CODE:

All students will adhere to HQ Air University and the University of Miami (UM) Honor Code pertaining to Academic Integrity and Academic Freedom as outlined in AUI 36-2608, *Academic Freedom*, AUI 36-2609, *Academic Integrity* and the UM *Undergraduate Student Handbook and Honor Code*.

Academic Freedom. This means the “free exchange of opinions and ideas, to the greatest extent possible” is highly encouraged in my classroom because it is “...essential to the educational process for faculty, students, and staff.” (AUI 36-2608). All opinions have value and while your opinion may differ from the book answer, that is fine. You are encouraged to present your opinions and reasoning in an appropriate and respectful manner. However, there are limitations based on military mission requirements. For example, commissioned officers, officer trainees, and cadets subject to the UCMJ may not use contemptuous words toward the President, Vice President, Congress, the Secretary of Defense, the Secretary of the Air Force, and others.

Furthermore, we practice non-attribution to maintain academic freedom and provide a safeguard for individuals or groups in the educational forum. It is acceptable to say “a previous speaker said or made a specific statement” but the identity of the speaker may not be divulged without permission. (AUI 36-2608).

In other words, anything we discuss while in class should remain in the classroom. You should not say, “...so and so said this” about anything discussed during class outside of the classroom.

Academic Integrity. Breaches of academic integrity and/or the honor code will result in an “F” on the assignment, possibly an “F” in the course. An investigation for disenrollment from the AFROTC program and notification to your university's honor council will be determined by the professor and the Detachment 155 Commander.

Plagiarism:

“The act of appropriating the literary composition of another, parts or passages of their writings, or the ideas or language of the same, and intending to pass them off as the product of one’s own mind. An example is copying verbatim without quotation marks with the intent to claim that material as one’s own work is plagiarism, as is the intentional use, without credit, of a source’s sentence structure and style with only minor word changes. Intent is established based on consideration of all circumstances and evidence presented. The correct method for giving credit to a source in written work is to use quotation marks and an accompanying footnote when quoting directly and a footnote when paraphrasing. In the case of oral presentations, credit must be given for direct or paraphrasing of direct quotes.” AUI 36-2309, Para 1.6.1 See the T&Q page 39 for guidance as well as the Air University Style Guide page 139.

“Plagiarism is representing the words or ideas of someone else as your own.

Examples include, but are not limited to, failing to properly cite direct quotes and failing to give credit for someone else’s ideas.” UM Student Handbook & Honor Code, page 9.

Cheating:

“The act of giving or receiving improper assistance such as, but not limited to, gaining unauthorized access to faculty materials that have not been released for student use; copying answers from another’s examination; using texts, notes, issue materials, or other references not authorized for examinations or other assigned work;

knowingly permitting another student to copy one's writing assignments, speech or briefing materials, or answers from an examination paper; and collaborating with other persons on individual assignments except as specifically authorized by the school." AUI 36-2609, Para 1.6.2.

"This term implies an intent to deceive. It includes all actions, devices and deceptions used in the attempt to cheat. Examples include, but are not limited to, copying answers from another student's exam and using a cheat sheet or crib notes in an exam." UM Student Handbook & Honor Code, page 9.

****If you have questions regarding plagiarism rules, please see your professor BEFORE turning in assignments or completing any exams****

Uniforms:

AFROTC uniform wear is mandatory for cadets during classroom/Lead Lab attendance, and anytime you enter the detachment to conduct business with cadre. Cadets are authorized to wear appropriate civilian attire when conducting activities in the cadet areas. When in uniform, grooming standards will conform to Air Force standards, including shaving, proper haircuts, jewelry, etc. in accordance with AFI 36-2903, *Dress and Personal Appearance*.

You will be required to turn in DRY CLEANED uniforms at the end of each semester. Students that fail to turn in uniforms may have a HOLD placed on their official transcripts by their Universities.

Civil Involvements:

All cadet involvements with civil, military, law enforcement officials or school authorities *must be reported* to AFROTC Cadre within **72 hours** of involvement via WINGS.

The use, abuse, possession, or handling of illegal drugs is prohibited – **ZERO** tolerance, consistent with Air Force guidelines and State Law.

Possession or use of alcohol by anyone under the age of 21 is prohibited.

Sexual harassment/sexual assault violate AF standards and will not be tolerated. Your actions, both on and off campus, reflect upon you as a person, the Cadet Corps and the US Air Force.

Violations in any areas mentioned above will result in severe disciplinary action and possible dismissal or disenrollment from the AFROTC program, as determined by the Detachment 155 Commander.

TERM COUNSELING (TC): You are required to make an appointment, by **27 Feb 21**, for your term counseling to be conducted between **18 Mar and 26 Mar 21**. The feedback will last no more than 30 minutes. Schedule the counseling through your class leader. A sign-up sheet will be available at the appropriate time. You will provide the instructor with a complete and current AFROTC Form 48 approved by one of your counselors **BEFORE** your appointment. When you arrive, report in uniform using proper procedures.

EXECUTIVE OFFICER TO THE INSTRUCTOR: An executive officer to the instructor will be assigned on lesson 1. If you are selected for this position, you will have the responsibility to ensure the classroom and all cadets are prepared for instruction. At a minimum, you will be required to take attendance for every lesson, collect and track all individuals selected briefing topics, ensure all cadets are signed up for term counseling and distribute all documents to the class among other responsibilities. The executive Officer will maintain the assigned folder in the Det 155 Google Drive for the class to centrally manage all of the information to share with your instructor. If you are NOT selected as the executive

officer, it is your responsibility to fully support the executive officer. The executive officer is not responsible for your individual grade and will not do your required work for you. Work as a team!

EVALUATION CRITERIA: You are required to read all assigned material **PRIOR** to each class and participation in class is highly encouraged. You are responsible for **one** oral briefing and one written paper. Exams are based on classroom instruction and assigned readings. The two exams will only test material designated for that exam (see lesson structure below). You will be tested from each lesson's objectives, samples of behavior and any other information indicated by the instructor during test reviews.

1. Briefing Assignment: Apply skills in accordance with AFH 33-337, *The Tongue and Quill*, to deliver a 10 minute group briefing on an assigned era of air power. You must complete the briefing within the allotted time; completing the briefing outside these established time constraints will result in a 25% reduction in the briefing grade for the entire group. I will use the Holm Center Form 6, Briefing Grade sheet for grading criteria.

2. Written Assignment: Apply skills in accordance with AFH 33-337, *The Tongue and Quill* to write a TWO-PAGE Background Paper on a given subject. The format is found in AFH 33-337, pp. 226-227.

3. Exams: There will be a mid-term exam and a final exam. Both exams will be based upon classroom instruction, assigned readings, and the Cognitive Samples of Behavior (CSOBs) for each lesson. CSOBs can be found in your textbook at the beginning of each lesson. The final exam will only cover material taught after the mid-term

4. Class Attendance: In accordance with AFROTCI 36-2010, *Cadet Training Programs*, you are required to attend 80% of scheduled Aerospace Studies (AS) classes **to receive a passing final grade.**
