Program Name Fast track of RI Designation Process (extended time)	<input type="checkbox"/> New Program <input checked="" type="checkbox"/> Change Program	Effective Date (TERM & YEAR) Fall 2021
Please explain the requested change(s) and offer rationale below or on an attachment <p>Motion: To extend the deadline for institutional use of RI Fast-track through Spring 2022. Initial Fast-track was approved by UFS from Spring 2020 - Spring 2021, but the circumstances surrounding the pandemic, delayed faculty and college efforts to optimize this fast track process.</p> <p>RI Designation Fast Track efforts are to streamline the process of adding Research Intensive (RI) designation to existing courses that have been previously approved by the UFS without RI distinction, by recommending a list of courses from the colleges and reducing the number of steps prior to submitting to UFS.</p> <p>Rationale: To extend the window for Colleges to utilize the Fast-track process to increase the number of RI Designated courses offered at FAU. Additional courses will better facilitate our overall efforts to launch a new research certificate within the colleges which would include courses that have RI Designation and DIR.</p>
