## Catalog Change: Entrepreneurship Minor

We are creating a new course, Entrepreneurial Finance (ENT 4412), and replacing Advanced Business Planning (ENT 4114) in the Entrepreneurship minor with that course. This is consistent with recent changes in the field.

In the proposed catalog listing below, the course addition is highlighted, and the course deletion is indicated by strikethrough.

### Catalog Listing

#### Entrepreneurship Minor

The Entrepreneurship minor is designed for non-Management Business majors. Completion of the Business Core courses is required for this minor in addition to the three courses indicated below, all of which must be completed with a grade of "C" or better.

Required Courses (in addition to the Business Core)		
Entrepreneurship	ENT 4024	3
<del>Advanced Business Planning</del>	<del>ENT 4114</del>	<del>3</del>
Entrepreneurial Finance	ENT 4412	3
Intellectual Property Law	BUL 4514	3

A maximum of 3 credits used for the Entrepreneurship minor may count toward other Business major requirements. A minimum of two courses (6 credits) must be exclusive to the minor. At least two of the courses above (6 credits) must be taken in residence at FAU. The acknowledgement of the minor is official upon successful completion of a College of Business degree program.
