<p>Please explain the requested change(s) and offer rationale below or on an attachment</p> <p>We are creating a minor in International Business (IB). As of the most recent ranking by US News & World Report, our undergraduate IB major is #22 in the country. We seek to leverage this status to benefit non-IB majors by offering the option of a minor. The minor would be available to non-Management majors, including those who are out-of-college. Students would need to fulfill prerequisite requirements.</p>

NEW PROGRAM: INTERNATIONAL BUSINESS MINOR

EXPLANATION

No new courses are needed. We are configuring existing courses from the International Business major into an International Business minor. It is more focused than the International Business Certificate which had been envisioned for students wanting a practical component along with course options outside of Management.
