Subject: FW: Combined program for BHS/MHA in Health Administration

Hi Deb,

I hope all is going well with you. Attached is the first proposal I have received for a combined program for this new academic year.

Ethlyn Williams, the College of Business representative on the UUPC, has submitted it on behalf of Health Administration for the committee's Sept. 13 meeting. I am copying Ethlyn on this message.

Thanks and all the best,

Maria
