MEMORANDUM:

TO: Dr. Jerome Haky
Chair, University Undergraduate Programs Committee (UUPC)

FROM: Dr. Mary Ann Gosser
Chair, University Honors Council (UHC)
University Honors Director

DATE: 3 September 2021

RE: Changes to the Wilkes Honors College
Political Science concentration
Law and Society concentration
Spanish concentration
International Studies concentration
Latin American concentration
Replace SPW 4970 with IDS 4970
Terminate SPW 4912
PHY 4936 change prerequisite

As per the policies the University Honors Council established with regards to minor changes, such as the request from the Wilkes Honors College to propose changes to a course's prerequisite or their concentrations without changing the number of credits (e.g., remove courses from their list of electives in the various concentrations, drop electives, allow substitutions, terminate courses), the UHC does not have to vote to approve them, as long as they inform the Chair of the UHC—which their representatives did.

The UUPC may consider the additions, removals, and substitutions to the respective concentrations, the termination of the SPW 4912 course, and the PHY 4936 change in prerequisite and give them approval for deletion/inclusion, as the case may be, in the catalog. Thank you.
