Program Name Policy on Minors and Certificates and the B.G.S. degree	<input type="checkbox"/> New Program <input checked="" type="checkbox"/> Change Program	Effective Date <i>(TERM & YEAR)</i> Fall 2022
Please explain the requested change(s) and offer rationale below or on an attachment <p>The university currently has the following policy on the B.G.S. degree and minors:</p> <p>Students may pursue one minor with the B.G.S. degree, but there can be no overlap of courses between the B.G.S. 15-credit discipline and the minor.</p> <p>The policy is silent on the ability for a student to obtain certificates concurrently with the B.G.S. degree. Additionally, since students may have completed the requirements for more than one minor prior to their change into the B.G.S. degree, it seems reasonable to allow a student to obtain more than one minor as long as it does not delay the completion of the degree. The policy is not intended to supersede any existing college policy that may restrict course overlap.</p> <p>The revised policy is as follows:</p> <p>Students may pursue minors and/or certificates with the B.G.S. degree as long as the pursuit does not extend time to graduation or other existing college restrictions. No course overlap may occur between the B.G.S. 15-credit discipline and the minor(s). However, course overlap between the certificate(s) and the B.G.S. 15-credit discipline is allowed. Course overlap between the certificate(s) and the minor(s) is allowed.</p>
