**Subject:** Approval for Combined Psychology Programs

Hi Deb,

I hope you're doing well!!! The UUPC rep for the College of Science asked Psychology to submit proposals for two combined programs to the Provost's Office. Attached are the two proposed programs: BA/MA in Psychology and BS in Neuroscience and Behavior/MA in Psychology.

Have you received/approved these? If not, please review when you have a moment and send me an email. I would greatly appreciate it!

Thanks much,  
Maria
