Program Name Undergraduate Cybersecurity Minor and Certificate Program	<input type="checkbox"/> New Program* <input checked="" type="checkbox"/> Change Program*	Effective Date (TERM & YEAR) Spring 2023
Please explain the requested change(s) and offer rationale below or on an attachment. The list of courses in our cybersecurity minor/certificate program is somehow too rigid. We want to add a line in the catalog for the cybersecurity program so students can take other cybersecurity courses than the listed to fulfill the requirements. See attached.
