Hi Viktor:

I have reviewed the edited first paragraph and the degree description now adequately addresses the “academically talented” requirements for a combined degree program. It is approved to move forward through the curriculum committee process. I have included Maria Jennings on this email so that she is aware of the approval from the Provost’s office.

Best,
Debra

Dear Debra,

Thank you for meeting with me this morning! I’ve revised the first paragraph of the degree explanation – the new wording is in red in the attached file. Please let me know if it looks ok to you now.

Best,
Viktor

Subject: New combined degree proposal (LLCL: Linguistics concentration)

Dear Debra,

The Linguistics Program (part of the LLCL Department) would like to implement a combined BA+MA degree in LLCL: Linguistics Concentration. The proposal was approved by the LLCL Department and we have forwarded it to the College-level UPC (and GPC). However, the A&L UPC committee has informed us that before they can evaluate the proposal, it needs to be reviewed by the Provost's Office and they referred us to you.

Attached to this email is the combined degree proposal form and an explanation with proposed Catalog wording. Please let me know if there is anything else needed from us for your review process.

Thank you!

Sincerely,
Viktor K.
