Subject: Approval of EME 2021 Digital Literacy in a Globally Connected World

Dr. Brown,

This email is to inform you that the Core Curriculum Committee approved the 3-credit IFP course **EME 2021 Digital Literacy in Globally Connected World** as an IFP course in the **Society/Human Behavior Foundation**. The Core Curriculum Committee approved this course on February 1, 2023.

Please contact me if you have any questions or need any additional confirmation for the course as it moves through the approval process. You will need to contact the UUPC to be scheduled on their agenda and submit materials to them as requested. This is a separate process from the CCC and I recommend that you do this as soon as possible. Be sure to attach this email to the New Course Form application when submitting materials. Your consultation summary should also be attached to this form.

Please reply to acknowledge receipt of this confirmation.

It has been a pleasure working with you and I hope we have further opportunities to work together in the future.

Thank you,

T.
