**RE:** Add AML 4611 H Afrofuturism to the WHC's Women's Studies Concentration and Minor

As per the policies the University Honors Council established with regards to minor changes, such as the request from the Wilkes Honors College to add this course as an elective to their Women's Studies concentration and minor, the UHC does not have to vote to approve it, as long as they inform the Chair of the UHC—which their representatives did.

The UUPC may consider the addition to the catalog of AML 4611 H Afrofuturism as an elective to the WHC's Women's Studies concentration and minor. Thank you.
